**\*Delivery/Set up of weddings:** Mileage figured round trip on map-quest. First 20 miles free, then \$.55/mile after that. Mileage may change without notification. **Set up fee:** \$15 per hour, minimum of 1 hour.

**Traveling with Cake:** Transporting large buttercream cakes, in the summer months especially, can be disastrous. While every attempt is made to get to the venue safely with your cake, we cannot control other drivers. Let it be understood that having to stop quickly, turn quickly or go over excessive pot holes and/or railroad tracks all make cause a cake like this is fall apart, crack or begin to lean. If this should happen with your cake, an attempt to fix what we can will be made, but refunds will not be given.
