PASTOR'S MESSAGE

OPPORTUNITY TIME!

We are in the season of and after Pentecost. This is the season of when we celebrate that the spread of the Gospel and the ministry of the mission of God was dependent on *the people of God* as ministers to and with each other. The early Christian church simply lived out their Christian faith as a life-changing aspect of who they were – and it meant that the good news of the Living God spread throughout the world. The people of God were the ministers of Christ's church. In reality that *still* is the heart of what it means to be "church." The apostle Paul writes that we are the body of Christ – all with different functions and gifts, yet ALL are vital to the body.

So what type of ministry season are we in right here and now at Immanuel Lutheran Church? For some of us, the end of the school year means a shift in schedules and activities. For some families activities pick up as summer rec is into full swing, shuttling to swimming lessons, baseball/softball games, etc. For some families this is the season of reconnecting with one another, as camping or going to the lake are your tradition. For others this is a busy time outdoors as gardening is a life-giving passion. For farming families it is busy, as always, and prayer is mixed, waiting for the right balance of weather. What does this summer look like for you?

It would be tempting to think that we are in a season of downtime as a congregation. After all, many expect that worship numbers and financial giving will be down over the next few months

with no Sunday school, confirmation, etc. However, this is not downtime.

The month of June alone is filled to overflowing here at Immanuel. June 1st-5th Vacation Bible School is in full swing with the theme "Live it Up!" Dozens of leaders and volunteers help make this week possible. Then – we celebrate VBS during worship on Pentecost Sunday, June 8th. Bible campers start heading to Green Lake Lutheran Ministries' various sites June 15th and Atwater Festival Days are just around the corner. Our youth will host Taco in a Bag the Friday night of Festival Days just before heading off on a week long mission trip to Chicago June 22nd-28th. As you can see, the pace and events may be different – but this is not a season of downtime here at Immanuel.

In fact, this summer is **opportunity time!** In fact, Christian writer and speaker Marilyn Sharpe says, "In the entirety of the Bible, I've never read anything about God's retirement plan for us. It simply isn't there. But there is tons about God's re-FIRE-ment plan." Some congregations make the mistake of thinking they are dependent on their pastors or hired staff and ministers for the ministry of God. That is simply UNTRUE! From my standpoint that is a GREAT thing! It means that the ministry of God will not be slowed, detained, or postponed in any way – because YOU – each and every one of us ---- are ministers of the Gospel.

Truly – each and every one of us is called by God to serve him in an active and life-changing

way. Yet, some of us look to the church and ask what it can do for us, rather than what we can do as part of the Body of Christ. One of the things I have loved about serving here at Immanuel, (a smaller congregation than I have served or worked in before) is that there is more involvement and more ownership of the congregation because we all know one person or a few people can't do it alone. We are all needed to be the people of God that God has made us to be. It has been wonderful to see so many of you stepping up in leadership – and I look forward to seeing that continue to grow and blossom.

April 28th, I looked at myself in the mirror and first, thanked God for the incredible ministry and life that flowed through us and this place throughout Lent and Easter. Secondly, (perhaps because I had just had a weekend-long confirmation retreat or lack of sleep) I realized that I was running on empty. Not so much in the physical sense --- but I knew that I needed to be recharged. My spiritual tank was running low.

May 19-23, God filled me back up. I attended a Festival on preaching in Minneapolis, where I had the opportunity to hear renowned preachers from around the world, worship in a variety of settings and styles, attend lectures and learn, reconnect with friends I had not seen in a while, and take significant time alone just me and Jesus. Daily devotion time is a part of my everyday, however, if I'm being honest, there are times it gets cut back, rushed or more like doing things for God rather than WITH God.

My week away was an excellent reminder that I can't afford to run on empty --- and neither can you. We are made to be in an intimate relationship with the Living God --- whether we are sitting in a church pew or fishing at the lake. We were designed to be intimately connected daily with Jesus.

What about you? In what ways have you been lagging in terms of your physical health? Mental and emotional health? Spiritual health? Often times, our spiritual well-being is the first area that takes a hit when life gets busy. But it is just as vital as all other areas. So – I encourage you to see this summer as OPPORTUNITY TIME. Opportunity time: to step out in leadership and involvement in your church family. Opportunity time: for you to reconnect with God in a more meaningful, regular way. Opportunity time: to nurture your relationship with God, just as you seek to nurture your relationships with family and friends. Opportunity time: for us to truly be church, with all of us as ministers in the family of God. And then let's see...see what God will do in and through us as we draw near to him.

God's Blessings during this Opportunity Time!

Peace – Pastor Christa

Summer Challenge from Pastor Christa:

Dive into God's Word --- Whether you are regularly at worship this summer or away, we can still commit to grow in faith together as we read God's Word together. Let's dive in and read two chapters a week of the Gospel of Matthew. Matthew has 28 chapters and will carry us through the summer. The Gospel of Matthew is the Gospel that we are reading together in worship throughout this year. In this Gospel you hear the Good News that Jesus is the long-awaited Messiah. Let's dwell in the Word together.
June 1: Matthew 1-2; June 8: Matthew 3-4; June 15: Matthew 5-6; June 22: Matthew 7-8;
June 29: Matthew 9-10.

Spiritual Tool-kit Basket --- there are many resources in the narthex for you or your family to reconnect or stay connected to God this summer, let me know if we can order any for you - or check one out!
