"I'm jus' gonna keep right on fishin'"

*Jesus is my Buddy
He's my very best Friend.
He's always beside me
Holdin' my hand.,*

*When I am lost
In life's stormy seas,
He calms the storms
and sets a beacon for me.*

*When my nights are the darkest
and I can't find my way,
He just brings out the sun
and we start a new day.*

*By following the light
'til I'm safe back on land.
Because Jesus is my Buddy,
He's my very best Friend.*

*He always understands
when I stumble and fail.
He just helps me get up
and points to the trail.*

*One of these days I know
I will follow him home,
I'll be sitting right there
On the steps beneath his throne.*

*He helps me be happy
and try not to be sad,
He helps me see good
and overlook bad.*

*The angels will sing
to my family and friends.
Cause Jesus is my Buddy,
He's my very best friend.*
