

Confirmation 2009-10

Introduction: In the Lutheran church, it is a common practice to baptize infants. Since most infants do not understand the blessings and responsibilities of this gift they have received, the parent/s and sponsor/s (Godparents) are charged to bring them up in the faith, helping them to live in the covenant of their baptism. The church, specifically the congregation, is also called, to assist in nurturing the baptized in the faith.

It is beneficial in faith formation for the baptized to affirm their gifts of baptism and confirm that they want to continue as a member of the body of Christ, in the covenant of their baptism. *Affirmation of Baptism*, often called “Confirmation”, serves this purpose. *Affirmation of baptism* is used as a sign of the beginning, increasing or renewing of one’s participation in the life of the church, as well as being a significant life passage.¹

Purpose: Confirmation ministry assists the parent/s in fulfilling the promises they made at their child’s baptism. The parents, as well as the sponsors, the pastor and the whole congregation work together to disciple the baptized in their faith.

Objective: To shepherd the students in the gifts of their baptism and Christian faith, so that they are prepared to affirm their baptism and confirm that they want to continue in that covenant.

3 Components of our Confirmation program

We use 3 learning components, Classroom, Mentoring and Service, in our confirmation program in preparing our students to *affirm their baptism* and *confirm their commitment to Jesus Christ and his mission*. Christian development does not just take place through lecture. It is also important for the students to see and experience faith in action. Christ calls us to

....love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength.” Mark 12.30:

Through classroom time, parental and mentor role modeling in addition to service projects, we hope to develop the students head and heart in the faith.

Classroom Goals for each grade level

7th grade (Pastor Dean Lundgren)

The Bible

The student will learn how to use the Bible, see how they fit into the O.T. story, and have some knowledge of the history of God's people. The student will learn who Jesus Christ was, and what his message was. They will learn the overall message of the Holy Scriptures, and how it is a message for them.

8th/9th grade (Pastor Arthur Sharot)

The Small Catechism

The small catechism is one of the best tools for understanding the bible and the Christian faith. 8th and 9th grade students will study the small catechism concentrating on these areas: Ten Commandments, Holy Baptism, Holy Communion, Apostle's Creed, Lord's prayer and the power of the keys. This will give them a good understanding of the Lutheran Christian faith as it applies to life.

Mentor program

The mentor program has been developed to form a relationship between adults and youth who are interested in keeping the Christian faith active and alive. This relationship is an effective tool in nourishing the faith in young Christians and broadening their base of Christian support in our congregations.

A mentor is an adult over the age of 21, who is willing to devote a minimum of one year (but hopefully for the entire 3-year confirmation program) to develop or strengthen a relationship in Christian faith with a member of the Urland Confirmation Class.

Youth and their mentors are required to attend the Mentor Night Programs, held on the first Wednesday of the following months: October, December, January, February and April. November's meeting is to be determined.

SERVICE COMPONENT

We, as Christians, as the Church of Jesus Christ, are called to serve our God and our neighbor. Each student will complete at least 5 hours of service to the greater Church. This can be done by volunteering at our church or serving in our community in some way. There are many possible opportunities to fulfill this requirement. Please check with Pastor Sharot or Pastor Lundgren, to see if your service project idea qualifies and how many hours of credit it will be worth. They will be the sole judges of hours credit given for any service project. We want this to be a chance for the youth to explore their many gifts and find a way that they can serve God and neighbor in some new way. If you need ideas to fulfill this requirement, please see your confirmation teacher.

CONFIRMATION STUDENT REQUIREMENTS

DISCIPLINE

Confirmation classes are a step in Christian life. In order to have orderly classes with an atmosphere of learning, we ask you to follow these rules:

1. Attend regularly and on time.
2. Come prepared.
Bring: Bible, pen or pencil, notebook, Highlighter, Lutheran manual *8th & 9th grades*
3. Respect others and be affirming of others.
4. Raise your hand if you wish to speak.
5. Do not bring food or beverages to class without prior approval.

If you have a concern or comment about any of these, please discuss it with your teacher, or with one of the pastors.

When you follow these rules, you will learn and you will allow others to learn. In this way, you will be honoring Christ.

What happens if the rules are broken? We have the following policy for dealing with a student who breaks the rules:

1. Inform the student of the needed behavior change.
2. If the inappropriate behavior continues, it will be discussed with the student after class.
3. If the inappropriate behavior continues through more than one class period, a conference between the student, their parent, and the teacher will be scheduled. Class time will be arranged with the disruptive student on an individual basis.

ATTENTION PARENTS:

Following every confirmation session students will bring home materials for your approval. It is your responsibility to make sure they show you their work. This will help you to see what we are doing in class and how your student is progressing. The work they take home will either be a review of class time: class work, homework or some kind of evaluation tool.

If your son or daughter cannot attend class, please call their teacher (**Pastor Sharot: 263-0438, cell 507 384-1818** or **Pastor Lundgren: 263-2779**). If this has not been done, and your child is absent, you will be called after class is dismissed. **It is the responsibility of the student to arrange to get the work they have missed.**
