## FORTNIGHT FOR FREEDOM

June 21–July 4

### Prayer for the Protection of Religious Liberty

O God our Creator,  
from your provident hand we have received  
our right to life, liberty, and the pursuit of happiness.  
You have called us as your people and given us  
the right and the duty to worship you, the only true God,  
and your Son, Jesus Christ.  
Through the power and working of your Holy Spirit,  
you call us to live out our faith in the midst of the world,  
bringing the light and the saving truth of the Gospel  
to every corner of society.

We ask you to bless us  
in our vigilance for the gift of religious liberty.  
Give us the strength of mind and heart  
to readily defend our freedoms when they are threatened;  
give us courage in making our voices heard  
on behalf of the rights of your Church  
and the freedom of conscience of all people of faith.

Grant, we pray, O heavenly Father,  
a clear and united voice to all your sons and daughters  
gathered in your Church  
in this decisive hour in the history of our nation,  
so that, with every trial withstood  
and every danger overcome—  
for the sake of our children, our grandchildren,  
and all who come after us—  
this great land will always be "one nation, under God,  
indivisible, with liberty and justice for all."

We ask this through Christ our Lord.

Amen.

Confessions Tuesday 6:00-6:30 pm

This weekend we experience the summer solstice, that is, the longest days of the year, when the earth is tilted in such a way that the sun appears to rise and set furthest to the north. The days will start to grow shorter after this, until those days just before Christmas when the night is the longest and the sun rises and sets furthest to the south making for a much shorter arc through the sky. Among pagans this is a big thing, and there are theories that places such as Stonehenge in England acted as a solar calendar in this way. Catholics are not pagan, and we understand everything to be under God's control. But there are some ways such events of nature instruct our understanding of our relationship to God. One such example is during this week when we celebrate the birth of John the Baptist. John was six months older than Jesus (Luke 1), and we celebrate Jesus' birthday on December 25, when the days are starting to get longer – more light in the world. John's birthday is celebrated on June 24th, when days are getting shorter. What did John say of himself in relationship to Jesus? "He must increase while I decrease." (John 3:30). John understood his was role to point out Jesus, and that was his high point in life. As a true disciple, he did his work, served his God, and did not ask for the glory to be his. What we do should be to point to the light of the world, Jesus Christ.

As part of GROW (the pastoral planning process each of our three parishes have been involved with) and even before then, we saw a need for Stewardship and Hospitality committees in each parish. What would they do?

A Stewardship committee would help develop a sense of stewardship in the daily life of a parish and its parishioners. How do we receive God's gifts gratefully? How do we develop our gifts? How do we share them? How do we return them to God? There are different areas of stewardship: stewardship of creation – how do we respect life, protect our land and environment, and advance the world through our labor? Stewardship of vocation – how do we carry out God's unique and individual role as a disciple? How do we know what God wants us to do? Stewardship of the Church – we need to share our time, talent and treasure to fulfill the mission of the parish, diocese and universal Church. What would this mean for outreach, a sister parish, addressing needs in the parish area? A stewardship committee would likely meet four times a year to develop bulletin blurbs, perhaps plan how a ministry fair or workshop on financial planning or wills would be written (and perhaps include the parish for a fraction of the estate in planned giving.)

A Hospitality Committee would try to create a greater awareness of hospitality among parish members. How do we create a place where one can be most open to the Holy Spirit working in their lives? Where do they feel most free to enter into the work of the parish, where they can become

the best version of themselves, as Matthew Kelly would put it. At one level this is greeting people as they come into church, and introducing yourself to someone you don't know – making the person feel welcome, as a member, not feeling like an intruder. It can also be, as we are doing in some places, a group that prepares cards to be sent to people, especially teenagers, on their birthday. It is inviting people into leadership in the parish, listening to their ideas in our committees and planning sessions, being present to mourners at funerals, establishing mentor programs for new members or new families in schools, welcome dinners with the pastor. Some of this happens naturally in our parishes, and some of it does not. Sometimes we only get one shot at welcoming someone, so we need to be intentional about it.

**Vacation Bible School will be held at St. John the Baptist School this coming week.**

Thank you to Fr. Frank Fried who is covering the Saturday evening Mass in Vermillion for me this Saturday while I am with my siblings for part of the weekend. Fr. Fried is recently retired, and a member of my priest support group.

There will be some other times this summer when I will be away from the parish, such as from noon Tuesday until Thursday night this week, on a mini-vacation, with the youth on the Mission Trip from July 5-12, with my priest support group July 21-23, and perhaps a few days in the middle of a week in August. In addition, as dean, I will be installing new pastors in our deanery. This year that will mean installing Fr. David Hennen as pastor of St. Elizabeth Ann Seton in Hastings, and whoever will be assigned to the parishes in Miesville and Cannon Falls. Please keep our neighboring parishes in prayer during this time of transition, saying good bye to one pastor and hello to another.

A number of people have asked me how long I will be pastor here. The answer is one never knows. July 3 I complete five years as pastor. My assignment letter said six years, extendable to up to twelve years. Each year we are sent a survey as to what our hopes and plans are. I've expressed that I would like to be here about a total of nine years – I think there are projects and programs to do to keep me busy and active for at least that long, and the parishes would be better set up for one priest to effectively administer them. That would make me 62 years old, and I'd rather not be much older than that when I take on what I hope will be my final parish assignment. If my health is good, I'd like to remain in full-time ministry until age 72, and then taper off.

As this is written on Wednesday, much of the old heating system has been dismantled. You will notice more legroom in your pews. With the steam pipes removed, we can now get into the habit of putting the kneelers up as you leave church, to make entering and exiting the pews easier and safer.

**Birthdays/Anniversary Book:** We now have a book in the back of the church for you to enter in birthdays, wedding anniversaries and death anniversaries. Those names will be read as part of the intercessions as those dates come up. Please write them in at least 1-2 weeks ahead of time.

Thank you to Angell's Greenhouse for all the beautiful flowers in front of church and the planters in the grotto.

We will stop Eucharistic Adoration on Mondays for a few weeks as the noise and work of putting in the new heating system will not be conducive to adoration.

Congratulations to Joe & Carol Reinardy on their 50<sup>th</sup> wedding anniversary this week!

**Happy Harry's Furniture** in Farmington continues to offer 10% of your purchase to St. Mary's for your furniture purchases. Our Lady of Fatima statue is available for anyone to take home or to a shut-in or nursing home for a period of time. Just sign your name and put down when it will be returned. Our Blessed Mother will bless you abundantly.

City of New Trier needs election judges for the August primary and November election. Contact Hannah, city clerk, at 651-829-9070. Compensation and lunch provided (and you do not need to be a citizen of New Trier).

Summer vacation is here, check out our library of books and movies in the back of church. If you have checked books or movies out, please remember to return them to share with others.

We now have a book in the back of the church for you to enter in birthdays, wedding anniversaries and death anniversaries. You will see a page for each day for several months ahead. Please take a moment and write in any family birthdays, anniversaries and death anniversaries you would like remembered in the intercessions at Mass.

**Fun Fest is Sunday, August 24.**

There will be a Polka Mass with Big Ben and the Brians playing.

(Look them up on

YouTube.) We have some great items for the live auction, including a basketball signed by Magic Johnson, and a color print of the top ten Twins of all time, signed by five of the eight living ones. You will want that unique item on your wall. None of those signing it had ever seen it before.

**Wanted:** We are in need of chairpersons for the following events at the FUN FEST. Live Auction, Country Store, Silent Auction and Kids Games. Please call Rich & Loraine Neisen (437-6560) if you can help out.

**Fun Fest Raffle Ticket:** Anyone wanting to be on the Big Ticket for the Fun Fest Raffle, please contact Linda Smith at 651-437-5599.

**Thank You** to Rich and Loraine Neisen for graciously agreeing to chair the Fun Fest for one last year. If someone would like to co-chair this year and be the chair next year, please let Rich & Loraine know. This IS their last year.

You will soon see some repair work happening at our parish. This is from a hail storm last year, now finally settled. Some work will be done on the roof over the gathering room, on the rectory roof, and a garage. In addition there will be some work done inside and outside the convent, including putting a pitched roof over the small flat area on the south side of the convent, and the removal of the skylight in the chapel. This should end water issues inside the convent.

Please sign up to be greeters before Mass or to bring up gifts at offertory time. Greeting: stand outside the door 15 minutes before Mass, and open the door for people entering, welcoming and greeting them. If you don't know them, introduce yourself. Gifts: if you are signed up for that week, simply go to the back of the church during the collection to get the bread, wine and water. Wait for the collection to be completed and consolidated into a basket, and bring them all forward. Thank you!

**Parish Office:** During the summer months of June-August, Rhonda Rother will not be in the office on Wednesdays.

**Reminder:** Weekday Masses will be held in the chapel Tuesdays at 6:30 pm and Wednesdays at 8 am.

**Sacrament of Marriage** was celebrated by Brian Braun and Michelle Hess Saturday, June 14, 2014. We offer our congratulations and best wishes to Brian and Michelle.

**Flat Father Stan** - Are you and the family traveling this year? Well take Father Stan with you! Take the picture of Flat Father Stan provided in last week's bulletin, color it, weatherize it, and pack him in your bags! Then, as you travel, be sure to take pics of Flat Father Stan and send them to [brandywent@gmail.com](mailto:brandywent@gmail.com) - They will be shared on our youth Facebook page! And Brandy will be searching for a special someone to create a Summer scrapbook with all of our parish travelers' photos.

Hampton is celebrating City Days this weekend, and on the 21<sup>st</sup> the Hampton Fire Department will host a burger feed and motorcycle ride for the benefit of the Firemen's Relief Association.

We are looking for help in staffing the fair booth July 1 to July 4, Tuesday through Friday. Most shifts are two hours. Please call if you can give some time to promote a culture of life. **August Silent Retreat**, Thursday August 7 - Sunday August 10, 2014  
Silent Retreats at Franciscan Retreats and Spirituality Center are gaining popularity. The Peter's Pence Collection unites us in solidarity with the Holy Father and his works of charity to those in

need. In his address of March 20, 2013, Pope Francis spoke of our responsibility before the world and creation. "There is much that we can do to benefit the poor, the needy, and those who suffer; and to favor justice, promote reconciliation, and build peace," he said. Your contributions to the Peter's Pence Collection allow the Holy Father to support victims of war, natural disasters, and others most in need of assistance. Join Pope Francis and be a witness of charity in the world.

### St. John the Baptist Parish Vermillion

Work will be done in plaster repair and painting in the sanctuary area (altar area) between June 30 and July 4. We are also deciding whether to do additional painting and repair work on the plaster and painting on the east and west walls of the church in some or all of the arches throughout the church. The budget for next year was approved by the parish council at our meeting Tuesday night. It shows a small deficit, but we hope to make that up, as we did this year. We have also decided to create an agency fund for the school, administered by the Catholic Community Foundation. We will use the money from the grant given by a non-parishioner last year, which you matched with

donations last fall, along with three small CDs that were designated for the school. This will total something just over \$50,000. An agency fund is like an endowment, but the parish retains control over the money, able to take the principal out at any time. Because of this, it is invested quite conservatively and will grow more slowly. We can review this in a few years, and if we are comfortable with not needing the money in the foreseeable future, create an endowment to serve the school even better. In the meantime, this will mean we need a bit less of the parish operating funds for the school. Each year 4% of the fund will be withdrawn, and any additional earnings will augment the fund. It is a small start to something that will help ensure the future of the school.

### KNIGHTS CORNER...
